Southern Ohio Ford Club

The Southern Ohio Ford Club is a non-profit organization based in southern Ohio. The club is open to anyone interested in Ford-powered vehicles. Ownership is not a requirement, but you must be a Ford fan or enthusiast. The club cars range from the early Model T's to late models, stock and original automobiles, slightly modified and personalized cars, to totally radical and wild street machines, street rods, race cars, trucks and vans. There are a large variety of Ford-powered vehicles in the club that should satisfy all Ford enthusiasts. Become a member of the club and join in on all the fun.
